Dear Parents and Carers

We need your help!! As you will be aware, we are aiming to raise £20,000 this year to upgrade our school playground. This will include a new surface, exciting playground equipment and new markings for the children to use. With the help of school council, the children have chosen what they would like but now we need to find the money to pay for it. We have got off to a flying start with £2,000 raised already!

Next week is the 25th Anniversary of World Book Day so we have decided to challenge the children to a sponsored reading challenge. This will take place at home and can be completed throughout the week of World Book Day, which takes place this year on Thursday 3 March. Throughout the week, we are challenging the children to read a book each day but to make it more fun we have turned it into a game. This game has been created to encourage reading at home and all the exciting ways you can share stories – not just at bedtime! Tick off a Reading Star each time you complete a reading task and have fun reaching all your stars! To make it accessible to children of all ages, we have left it open for you to decide if your child reads the book or you read the book to them. Please see the stars attached for your reading challenge.

Also attached is a sponsor form, which you can share with family and friends, asking them to sponsor your child to complete the Reading Star Challenge. Your child will have until Monday 7 March to complete this. We hope the children will enjoy the challenge, as well as helping to raise as much money as possible for our new playground. We ask that all donations are paid via school gateway, by 18 March.

Thank you for your continued support.

Kind regards

Lisa Morris
